**4<sup>th</sup> Responses to Questions**

**Questions received after 9:00AM ET on February 17, 2012**

1. Has anyone requested an extension for this opportunity? If not, I'm writing to ask for an extension. Is it possible the contract office might consider pushing back the submission date by 5 to 10 business days?

**Response:** No, a request for an extension has not been received. No, the due date for responses to the Request for Proposals continues to be as stated in the Key Information Sheet, page 4.

2. If hand delivery takes place – is the location easy to find and easy to access? I know where Preston Street is, but just curious if there are additional things to know such as parking issues-best lots to use, etc.

**Response:** The Key Information Sheet, Proposal(s) Received at (page 4) and Part I, Section 1.9 of the RFP bottom of page 14 and top of page 15 address the questions.

3. What time do the offices open for hand delivery?

**Response:** The office opens at 8:30AM ET.
